

PIDEV 3A

WorkShop 1 : Swing

Equipe JAVA

Diagramme de classe: Dépôt/Stock

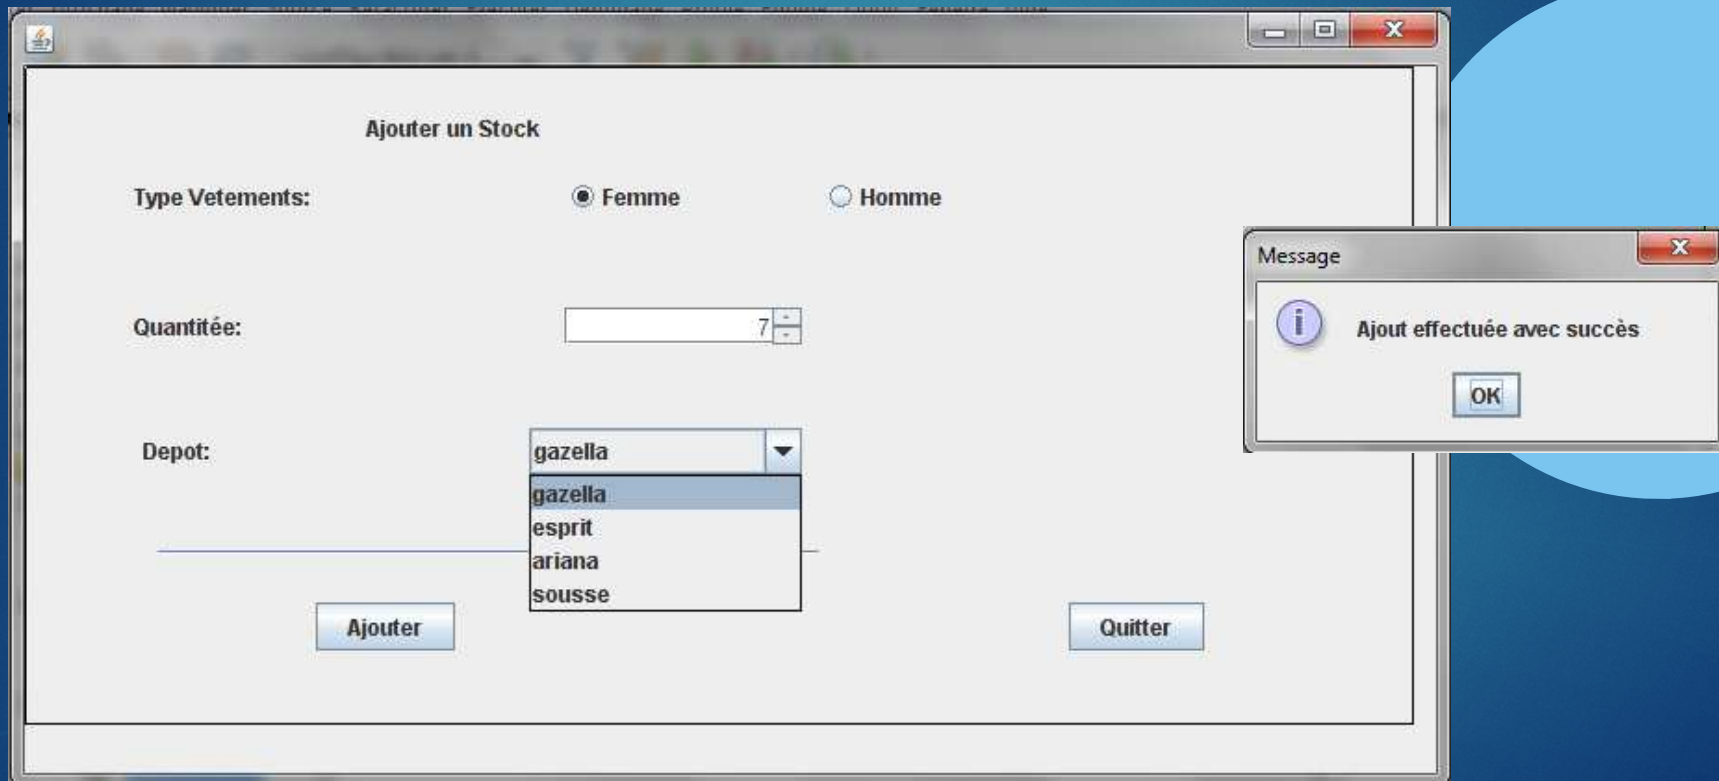

Étape1 : Création d'un dépôt

A screenshot of a software window titled "Ajouter un Depot". The window has a standard Windows-style title bar with minimize, maximize, and close buttons. Inside the window, the text "Ajouter un Depot" is centered at the top. Below this, there is a label "Adresse :" followed by a text input field containing the word "gazella". At the bottom center of the window is a button labeled "Ajouter".

Étape2 : Création d'un stock

The image shows a software window titled "Ajouter un Stock" with the following fields and controls:

- Type Vetements:** Two radio buttons, "Femme" (selected) and "Homme".
- Quantité:** A text input field containing the number "7" with increment/decrement arrows.
- Depot:** A dropdown menu with a list of options: "gazella", "gazella", "esprit", "ariana", and "sousse". The first "gazella" option is currently selected.
- Buttons:** "Ajouter" and "Quitter" buttons at the bottom.

Overlaid on the right side of the window is a "Message" dialog box with the text "Ajout effectuée avec succès" and an "OK" button.

Étape3 : Affichage des stocks
